

Stand in solidarity AGAINST Verizon with our east coast union brothers and sisters!

**CWA MEMBERS UNITE!**

TUESDAY NIGHT AUGUST 16TH AT

**A**NGELS STADIUM

“A very important mobilization  
At a very visible location”

“If Verizon union busters win in the east we are next.”

All union workers have a stake-  
We have never seen such an aggressive agenda as this profitable Company is pushing.  
They want to take away every protection we have as Union workers.

Come and bring the fight to **Verizon** before they bring it to you. Your way of life & those of the east are at stake. This financial attack will come to your doorstep, so act now!

MEET AT UNION HALL 140 S. Flower St Orange  
AUGUST 16TH at 5pm - Cars leave at 5:15pm
