SOLIDARITY RALLY

**FRIDAY, OCTOBER 12, 11A-2P
IN FRONT OF 200 CENTER STREET PROMENADE**

Sisters and Brothers,

On September 25, the company has made known its intent to declare a surplus that will adversely affect 38 of our brothers and sisters, locally; 21 Service Representatives in Anaheim and 17 Maintenance Administrators in Tustin. This capricious and arbitrary decision comes not only as a blatant disregard to our contract but an insult to our Union. This will not be tolerated.

The senior leadership of the company has:

- **Lied to our members**
- **Betrayed our members**
- **Are stealing jobs from our members.**

The Union has reason to believe that this is only the beginning. WE MUST TAKE A STAND. In support of our sisters and brothers and a show of solidarity, I invite you to come join us as we take a stand against injustice.

**In Solidarity,
Joseph Venegas**
